

Hillman Health Center Benefits At A Glance*

- **Zero** co-pay for all prescriptions costing less than \$4 — meaning those medicines are **totally free**. The co-pay for all 30-day prescriptions costing \$4 or more is \$4, \$10 or \$20, depending on the medicine. Coverage applies to Hillman Center members and spouses, and to eligible dependent children under age 26 if they are covered under their parents' health insurance.
- **Free** complete eye exams every two years for members and spouses. Exams must be preauthorized by the Health Center and given by a Hillman-approved doctor.
- **Free** eye glasses every two years for members, spouses, and eligible dependent children under age 26 if they are covered under their parents' health insurance. Those eligible can also order special frames and lenses by simply paying the difference between the wholesale cost and the Hillman allowance. (*See chart on reverse side for more details*).
- **Free** physical exam. Members and spouses are entitled to an annual physical exam by their Hillman primary care physician (PCP). Exams must be pre-authorized by the Health Center and given by a Hillman-approved primary doctor.
- **Free** cancer screenings, including breast, cervix, colon and prostate exams. The tests must be scheduled by Hillman primary care physicians (PCP).
- **Free** consultations. You can receive **free** consultations with any of the wide range of medical and surgical specialists on the Hillman panel of physicians. Referrals must be made by a Hillman-approved primary care physician (PCP).
- **Free** special tests and X-rays. Hillman-approved primary care physicians (PCP) can arrange for any special tests, laboratory work or X-rays in order to pinpoint your medical problem.
- **Free** diagnostic office visits by a Hillman-approved doctor.
- **Free** annual flu shots.
- **Free** after hours care through a special arrangement the Hillman Center has made with Lifetime Health. The care is available to Hillman members who have medical problems which require attention but which are not serious enough to require an emergency room visit. Examples include fever, vomiting, pain or injury. Hillman patrons should call their primary care doctor, who can then authorize the free visit.
- **Free** counseling/social services from JFS to Hillman members and their care givers. JFS acts as a clearing house to link eligible members or their caregivers to needed services. Those can include assistance with rent, heat, housing, transportation, and many more services.
- **Free** routine podiatry services for Hillman patrons and their spouses who are 62 or older and collecting Social Security, or who are 65 or older and enrolled in Medicare Part B.

*Eligibility for Hillman Center services requires prescription and health insurance coverage, and being a Hillman patron, spouse or qualifying dependent.
